A Message from out Principal

Many of you may not realize this, but I first entered *Eagle Country* fourteen years ago. Prior to becoming principal, I taught Mathematics and Computer Science here at North Lambton Secondary School on two different occasions. In total, I have been on staff here for ten and a half years. Come September however,

NLSS and I will be parting ways as I move to the other rural secondary school in Lambton County.

I can assure you that it will be difficult for me when I

leave the building for the last time in June. I will certainly miss this school, the staff, and of course, the students. I am very pleased that I have spent so much of my career

here in Forest and with me will go many fond memories.

I wish all of you the best in the years to come!

Mr. Phil Warner

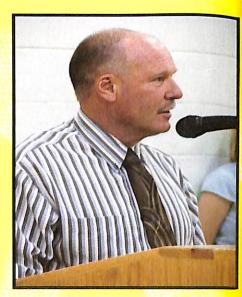

As I enter my final year in education, I will leave it with fond memories of my time at North Lambton Secondary School.

Thank you staff and students for making these possible.

To our graduating students, "Good Luck" and "Best Wishes" in all your future endeavours. I challenge you to follow your dreams. May you have the courage, commitment and dedication to see them become reality.

I am proud to be the Vice Principal of North Lambton Secondary School. I wish you all the best.

Back row: Scott Odorzzi, Mr. Perry, Jim Gilliard and Alex Pearson - Middle row: Ashley Gibson, Julie Stewardson, Dani Cadieux, Christina Greenwood, Christina MacDougall, Briana Nixon, Mary Houle, Lauren Gilfoyle, and Ms. Kingdon -Front row: Kaitlyn Pettigrew, Perrie Douglas.

"Intbody Can Make Mistory. Only a Great Man Can Mrite

" -Oscar Wilde

Oscar Wilde once said, "The only duty we owe to history is to rewrite it." Although perhaps not in the way Wilde meant, this year's North Lambton students are putting this wifty saying into practice! With our enquiring minds, broad outlooks and fresh experiences, our young historians are bringing new perspectives and questions to the past...questions that could very well mean that future generations have to rewrite history!

Not only is horticulture a great learning experience, but it's also a lot of fun. A side from all the lessons, note taking, and book work, you get the opportunity to grow your own plants, and spend a lot of class time outside or out in the green house getting a great hands on learning experience.

Avisible Children

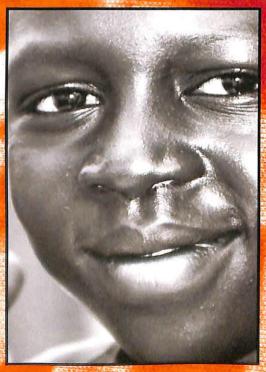

"Every night in Northern Uganda, thousands of children flee their homes to find a safe place to sleep. They seek refuge from the Lord's Resistance Army (LRA), a rebel group that regularly kidnaps children and forces them to fight as child soldiers in their army." They are known as the "Invisible Children"

As an independent study this year, Danika Teeple spent many hours producing a video presentation to bring awareness to the plight of these children in Uganda.

"He are not Rockstars"

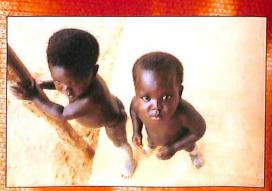

Danika Teeple holds up a bracelet made by one of the many children in Uganda. Each box holds a CD with the story of that child. Danika raised money and awareness by selling these bracelets.

Danika Teeple is presented with NLSS's first ever World Awareness Award for her work on her "Invisible Children" presentation.

Tis the Season

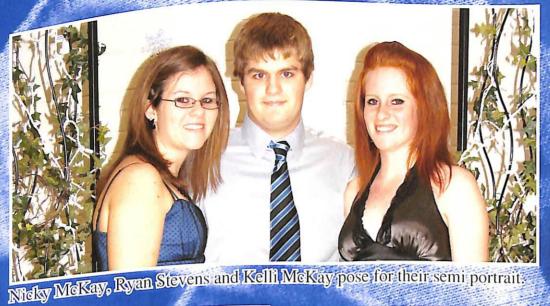

This year, photography club students and music students took on the task of bringing Christmas Cheer to the students, staff and community of NLSS and Forest. Mr. MacGregor paraded around the school halls playing Christmas carols and Santa paid a visit to the school for not one, but two photo opportunities - one with the big kids and one with the little kids. Thanks for the visits, Santa!

fun in the Suna feelin' Hot Hot Hot

On May 29, 2007, the sun was shining, the temperature was rising, and the students were ready to play! North Lambton's annual Fun in the Sun day was a big success. There were many different action-packed stations and fun activities to participate in, including a photo booth to take pictures with friends, tug-o-war, beach volleyball, sponge-ball, an obstical course, a messy "cookie dough" race, and of course the highlight was the teachers' dunk tank! Popcicle treats we're handed out in the cool shade where you could relax and enjoy the senior band play some sweet tunes.

Each year the Enrichment students invite grade 8 students from various schools to participate in a cultural event at NLSS called Culturas Del Mondo. This year's event based on foods of the world - including the Orient and Italy among others, was a real hit. Grade 8 students, together with students from NLSS, got to prepare, cook and dine on dishes from around the world. A very "filling" day!

Let's review some step-by-step instructions on the fine art of eating with chopsticks. Not as easy as it looks!
